🎄 CHRISTMAS 🎄 GARDEN 🎄 GIFT 🎄 HOLIDAY 2024

Welcome

Before you know it the holidays will be here to bring the excitement back. Feeneey's has strived to create a magical holiday experience so you can enjoy the true wonder of the season. From our road side garden center, that we started in 1952 with cut trees and wreaths, to 1976 when we started our Christmas animated village. School buses would line the parking full of excited children and from that moment, we were hooked. We have always made you - our Feeneey's community our top priority. Our small family business will always feel connected and grateful for your loyalty and appreciation.

This year is no exception as we continue to offer new and inspirational displays, gifts and décor to touch your heart and create memories with loved ones for years to come. Our front display with the Grinch may be one of our all time favorites, it is just amazing! Our holiday collection is fresh with so many new and exciting additions. Be sure to see it all!

From our family to yours, we wish you a glorious holiday with family and friends.

Thank you and Happy Holidays!

Janet and Kathleen

Holiday Trivia

Christmas is a magical time of joy. It's no wonder Christmas brings us the fuzzies since holiday lighting actually triggers the feel good chemical, dopamine in our body. The bright lights and colors create a physiological boost in both energy and good spirits. Add a touch of nostalgia and Christmas is understandable the happiest time of the year.

Christmas Decoration Trends for 2024

Embrace Elegance with Gold Bells, Iridescent Ornaments and Thin Velvet Ribbon

As the holiday season approaches, it's time to infuse your home with festive cheer and style. This year, Christmas decoration trends are all about combining elegance with a touch of whimsy. Here's a look at the top trends for Christmas 2024 that will make your holiday season sparkle.

Shimmering Gold Bells

Gold bells are making a grand return this year, bringing a sense of timeless sophistication to Christmas décor. These classic ornaments are more than just bells; they're a symbol of holiday cheer and celebration. Whether used as tree decorations, table centerpieces, or hung from garlands, their warm, metallic hue adds a touch of luxury. Opt for various sizes and finishes—matte gold for a modern look or polished gold for a more traditional feel.

Iridescent Ornaments

Prepare to be dazzled by the beauty of iridescent ornaments. These eye-catching decorations capture and reflect light in a magical way, creating a mesmerizing effect on your Christmas tree. From shimmering baubles to delicate figurines, iridescent ornaments can complement a variety of color schemes. They pair beautifully with both traditional reds and greens as well as modern blues and silvers. Their ability to subtly change color and sparkle makes them a versatile choice that will continue to captivate throughout the holiday season.

Thin Velvet Ribbon

Velvet ribbons are making a stylish statement in 2024. This year, the trend is leaning towards thin, elegant velvet ribbons that add a touch of texture and sophistication to your decorations. Use them to tie bows on gifts, create beautiful garlands, or accentuate wreaths and tree branches. The softness of velvet, combined with its rich appearance offers a luxurious feel without overwhelming your space.

As you prepare for the festive season, let these trends inspire you to create a Christmas wonderland that reflects both your personal style and the magic of the holidays. Embrace the sparkle of iridescent ornaments, the warmth of gold bells, and the refined touch of velvet ribbon for a celebration that's both stylish and joyful. **Happy decorating!**

Holiday Lighting - Holiday lighting just makes everything magical. From your tree to tablescaping, lighting can transform any holiday setting. Create mantels, wreaths and vases that glisten with micro and rice lights. These tiny lights create an enchanting atmosphere while providing practical illumination. This holiday season let us help you discover the magic of lighting. Our trained design staff is here to show you all the extensive lighting options to transform your home.

Santa, Animals and More...

We welcome back the animals from November 19th to December 23rd and Santa from December 6th to 23rd. Santa's hours will be posted on our website along with other updates, videos, events and specials. Visit our website at www.feeneys.com

We are also excited to resume the "Santa Cause" with proceeds going to 'The Philadelphia Ronald McDonald House'.

Artificial Trees - A Christmas tree is a focal point of the holiday. According to the American Christmas Tree Association, as of 2018, eighty-two percent of American households had an artificial tree. It is more popular than ever. Not all artificial tree are alike and purchasing one can be confusing. We have been decorating trees for over forty years and we know trees. Our selection has been hand picked for you and available at affordable price points. Let us help you light up your holiday today!

Foodies Rejoice Do you know someone who has a favorite food and everyone teases them for it? Well, this is the year to surprise them with an ornament to celebrate this love. Are you a salsa and chips kind of person or a chicken nugget and french fries fan? Is your child at college living on ramen noodles and mac and cheese, we have you covered. Come check out all the delicious options but be sure to eat first so you don't get hungry.

Irish or Not - You don't have to be Irish to enjoy our Irish room. Our exquisite wool purses and totes are just a stunning accessory for any winter outfit. The boiled wool bucket hats for women and the wool jeff caps for men are both functional and stylish. But for the true Irish person, be sure to pick up some Guinness mugs and glasses, or some sweatshirts and scarves. But our all time favorites are the scone mixes, teas and other food. Irish or not, enjoy all that these beautifully crafted pieces have to offer all of us.

Ronald McDonald House

It is always with great pride and excitement to share what a difference your donations to our "Santa Cause" Campaign have made. Last year we were able to donate \$9781.00 to the Philadelphia Ronald McDonald House. This allowed us to sponsor, free of charge, a bedroom for lodging to families visiting local hospitals for one full year. We would like to thank the Feeney's community for your generous donations and look forward to another successful year!

Santa's Hours

Bakery - One of our most popular areas at Christmas is our bakery. Novelty donuts, petit fours, gingerbread houses and more delight both children and adults. This room will make your mouth water seeing all the sweet tooth delights. The focus of the home is the kitchen. A popular new trend of decorating a small Christmas tree in the kitchen is a perfect way to enjoy all of these culinary delights.

Decorating with Holiday Plants

With Christmas right around the corner, our greenhouse will be filling up with bright, beautiful colors of the holiday season. Christmas plants are a big part of the holidays for most of us. Whether it is decking the halls with bright poinsettias, or making special table centerpieces, there are opportunities to use these special accents in creative ways throughout the season.

Poinsettias are an effortless way to transform your décor from Thanksgiving through the New Year with vibrant colors. Dramatic and long lasting, poinsettias are the iconic holiday flower. Poinsettias also make a great cut flower in bouquets, wreaths and centerpieces. Amaryllis plants are popular also at Christmas time partly because they come in so many shades of red. The Amaryllis is a huge bulb that is actually very easy to grow and care for. Orchids make a beautiful, elegant addition to your holiday décor. They are very easy to grow, bloom for months, and are among the least-fussy houseplant.
